## What's on 2024

*The Busiest Bandstand On Planet Earth*

# Welcome To Eastbourne Bandstand

Following a successful re-opening last year, The World's Busiest Bandstand returns in May 2024 with yet another season packed full of musical entertainment.

With over 140 shows coming up, there's something for everyone at Eastbourne Bandstand! From tributes to the best bands of all time to classical ensembles set to a background of fireworks, we're sure you'll find something you love.

This year we'll be welcoming some brand new acts to the stage including tributes to Taylor Swift, Harry Styles and the best of boy bands. The fan favourites will of course be returning too with Queen, Abba and Madness playing multiple times throughout the season.

For fans of big brass bands we'll be hosting our traditional Sunday afternoons weekly all summer and we're very pleased to announce the Central Band of the Royal British Legion will be in residence for nine shows in early August. We're adding in even more Open Stage Nights on Mondays this year which means more even local acts will get their time to shine on the seafront stage. Performers can apply via our website.

The ever-popular kids nights will be back throughout the school summer holidays hosted by DJ Oli and DJ Jay with special appearances by the beach lifeguards' mascot Leo the Lifeguard showing off his moves once again!

This year we'll be turning our Halloween Finale Show into a Halloween week with the Zoots and their spooktacular show being followed by TWO Halloween kids' disco parties.

All of 2024's shows are listed in this programme and tickets are now on sale so take a flick through and book ahead to get your early-bird discounts. FOB members can still receive a 10% discount on their tickets as well as 10% off at the bar.

We look forward to seeing you in the audience soon!
